PRESENTATION: JOB SEEKERS

Job Searching Made Easy

Lilangeni Human Resources is the only online job recruitment service in Swaziland.

Our solution serves job seekers to efficiently and speedily find a job vacancy.

Lilangenihr.com is a platform for registered job seekers to post their curriculum vitae and select preferred career fields, so that they can receive e-mail notifications when jobs become available. In this way, job advertisements come to you.

Job seekers just only need to log onto their e-mail or lilangenihr.com account to see what jobs are available for them. That is convenient and safe service that is oh-so easy to use.

The service will also contribute to the growth of the Swaziland job market by making it easier for potential employees and employers to pollinate on a simple network.

E300.00 is the annual service fee for individuals who are seeking a job in Swaziland, or aim to improve on career prospects.

The service is open to job seekers all over the world who would like to work in Swaziland

Register

Job seekers need to register their details on lilangenihr.com to gain access to the job portal.
